BID PRICING FORM AND OTHER FORMS TO BE EXECUTED BY THE BIDDER

Prepared by Cindy Norfleet, CPPB, Senior Buyer

Date: September 28, 2012

1.0 PURPOSE

The intent of this Invitation for Bid is to purchase one cab and chassis (Freightliner M2 106 or approved equal) complete with truck-mounted attenuator (Safestop TMA 8290ZA or approved equal) to be used by the Refuse Division of the Department of Public Works in accordance with all specifications, terms, and conditions herein.

2.0 COMPETITION INTENDED

It is the City's intent that this Invitation for Bid (IFB) permits competition. It shall be the bidder's responsibility to advise the Buyer in writing if any language requirement, specification, etc., or any combination thereof, inadvertently restricts or limits the requirements stated in this IFB to a single source. Such notification must be received by the Purchasing Agent not later than five (5) days prior to the date set for bids to close.

3.0 GENERAL SPECIFICATIONS

3.1 General

Specifications below describe a cab and chassis (Freightliner M2 106 or approved equal) complete with truck mounted attenuator (Safestop TMA 8290ZA or approved equal) for use by the Department of Public Works.

Cab and chassis and attached attenuator shall be supplied by a single contractor. The contractor will be responsible for purchasing and installing the attenuator on the cab and chassis. Prices quoted on the BID FORM shall include all equipment, hydraulics, hitches, and hardware required to install the requested attachment. The Contractor shall be responsible for insuring that the attached equipment is compatible with the cab and chassis and is delivered to the City in good operating order.

Equipment shall be the latest manufactured current production with all standard components and details. Units shall be new production; used models or demonstrator models will not be accepted. Specifications are minimum; equal or better will be considered.

All components shall be of American manufacture, totally produced, supplied and assembled in the United States whenever possible. The City has the right to reject any and all bids. No equipment shall be accepted prior to successful inspection by the using agency.

Each unit shall comply with all State and Federal codes and regulations.

It is not the intent of the City for these specifications to be proprietary; equals will be evaluated in accordance with comparable quality, construction, strength, durability, and suitability for the purpose intended. All specifications contained herein are considered minimum requirements for the manufacture and delivery of the "new" chassis and body specified herein. The terms "minimum" and "maximum" shall define the respective constraints that apply to the overall design,

dimensions or quality level established by the City of Suffolk, Virginia. The term "or equal" shall define the degree of determined quality level, and it shall be the sole responsibility of the City to judge whether the proposed "equal" submitted by the bidder meets the minimum established quality level.

The Bidder shall complete every space in the compliance column below with a check mark to indicate if the item being bid is exactly as specified. If not, the "NO" column must be checked and a detailed description of the deviation from the specification to be supplied. Compliance sheets (Pages 4-15) must be submitted with the BID FORM.

Actuator switch is to be mounted in sign panel controller. The front panel is to contain at least 15-6" LED amber lamps with maximum angularity to the side.

The sign is to be capable of presenting four (4) messages: left arrow, right arrow, double arrow, and four-corner caution. In the arrow modes, there are to be at least five (5) lamps in each arrowhead with the shaft lamp next to each arrowhead not illuminated for greater arrowhead definition.

The messages are to be selected through a remote control panel which shall be supplied and mounted in the cab within easy reach of operator.

There shall be a voltage control system for lowering light intensity for nighttime operation.

Lamp circuitry shall be completely enclosed in sign housing (Wanco model WVBB2P8-LA or approved equal),

An amber strobe type light is to be mounted on the back center of the board so that it is visible 360 degrees when the board is in the stowed position. The light shall have a flash rate of 80+/- 10 flashes per minute. The sign is to be fully assembled with control cable, ready to operate.

Warranty: The supplier of the arrow board is to provide a statement of the manufacturer's standard warranty of all items supplied. A minimum of one year from in-service date shall be provided.

Arrow board to be standard proven model of manufacturer's latest current production with additional features outlined herein. The unit shall not be modified or augmented.

Successful bidder shall furnish two (2) sets of manual of instructions and parts lists with each arrow board.

3.4 Truck Mounted Attenuator

a. General Specifications

The complete attenuator system shall consist of a steel or aluminum mounting frame, a steel or aluminum back-up structure assembly, an expendable (crushable) crash cushion cartridge, and all necessary hardware to complete the installation.

Crushable crash cushion is to be approximately 80' long, 96" wide and 24" high. Total system weight to be approximately 1,300 lbs.

The attenuator shall readily attach to the truck chassis by means of a pin-mounted, quick attach/quick detach system and shall be capable of being easily raised or lowered so as to maintain a 12" clearance between roadway and bottom of housing.

The unit shall be capable of tilting from horizontal to a vertical 90-degree angle by means of a self-contained, electric/hydraulic system to facilitate transportation to and from the storage area.

The cartridge and back-up structure assembly shall lock and unlock in the vertical position automatically. The controls for activating this operation shall be enclosed within a detachable, waterproof box with a 25' cord extension.

The cartridge shall attach to the back-up plate of the back-up structure assembly by means of easily removable corrosion resistant bolts with rubber grommet seals for corrosion protection.

An arrangement of adjustable caster-wheeled leveling jack stands shall be provided to facilitate the installation, attachment, removal and handling-in-storage of each removable cartridge and back-up structure assembly. Minimum of two (2) at the front and one (1) at the rear.

COMPLY
Yes No

Each unit shall have a standard trailer lighting system, including brake lights, taillights, turn signals, and ICC bar lights configured in such a manner as to provide proper lighting in both the vertical and horizontal positions. A Betts Products (or approved equal) sealed harness wiring system with a VDOT standard 7-way trailer female receptacle shall be furnished.

The stop/direction taillights shall be installed on the rear of the cartridge. Two (2) additional stop/tail direction lights shall be mounted on the backup plate such that they provide rearward illumination when the crash cushion is in the 90-degree up position. They shall be no more than 50" off the ground when the unit is fully retracted. Lighting is to be visible whether the attenuator is in the "UP" or "DOWN" position.

Unit shall be fitted with two (2) flag brackets which shall allow placement of a standard Traffic Control Flag handle on each rear corner top with handles tilted outward 45 degrees from the vertical.

Two (2) permanent instruction plates shall be furnished with each unit and fixed in position (one on each side of unit).

Each attenuator system shall be individually identified with a serial number. The serial number shall be a minimum 1/2" high and shall be located on the left (street) side of the lower front corner.

b. Crash Testing

The new attenuator purchased under these specifications shall be pre-tested and certified as being in compliance with the following test criteria with certification made through the seal and signature of a licensed professional engineer.

The attenuator shall have crushable cells enclosed in a weather-proof covering which when impacted shall collapse and contain all debris.

COMPLY
Yes No

All testing, measurement and analysis shall be conducted in strict accordance with the National Highway Research Program Report 350 Level 3 methods. The successful bidder must provide an affidavit with his bid signed by a licensed professional engineer stating that these truck mounted crash cushions have been tested by the manufacturer or an independent testing laboratory and comply to this criteria.

The mounting hardware and back-up plate are to be painted black. The rear panel shall have alternate 6" width orange and black chevron stripes. Stripes shall be sloped at a 45-degree angle downward in both directions from the upper center of the rear panel. Stripes shall be fabricated from fluorescent orange prismatic lens reflective sheeting conforming to Section 247.02(e) of the Road and Bridge Specifications.

In addition to the rear panel striping, the rear portion of the attenuator when in the vertical stow position shall have stripes in the same size and style as the striped area described in the horizontal position. This striped area is to be located at the lower portion of the attenuator.

The entire unit and accessories shall conform to all applicable Virginia Department of Motor Vehicles regulations.

Any parts, controls, materials or attachments which are standard and/or necessary to form an efficient and complete working unit as judged by the City of Suffolk are to be furnished whether specifically mentioned herein or not.

Truck shall be ballasted to the maximum curb weight as recommended by the attenuator manufacturer. Ballast shall "cobble" steel plate mounted ahead of the rear axle and properly secured around the truck frame.

4.0 INSTRUCTIONS TO BIDDERS

4.1 Submission of Bids

Pricing must be submitted on the Invitation for Bid pricing form only; failure to submit a bid on the official City form provided for that purpose shall be a cause for rejection of the bid. Include other information as requested or required. All bids shall be submitted in a sealed envelope and properly identified with the IFB number, IFB name and time and date of opening. Bids must be received by the Purchasing Division no later than the time specified on the opening date. ***Bids may be mailed to City of Suffolk, Purchasing Division, P.O. Box 1858, Suffolk, VA 23439 or hand delivered to 441 Market Street, Room 105, Suffolk, Virginia 23434.*** Faxed and e-mailed bids shall not be accepted.

It is the bidder's responsibility to ensure the bid is received prior to the bid acceptance time. The "official" time of acceptance will be via electronic date/time stamp upon receipt of the bid package in the Purchasing Division office. The Bid may not be changed by markings on the envelope. Only the amounts indicated on the BID Form will be considered in determining the final Bid amount.

4.2 City Contacts

Questions related to bid submittals should be directed to:

Cindy Norfleet, Senior Buyer
(757) 514-7522
cnorfleet@suffolkva.us

The Senior Buyer is the designated authorized spokesperson for the City of Suffolk with respect to this IFB. All questions should be directed to the Buyer's attention. The respondents to this IFB shall not contact, either directly or indirectly, any other employee or agent of the City regarding this IFB. This prohibition shall also extend to the Suffolk City Council and locally elected officials. Any such unauthorized contact may disqualify the bidder from this procurement.

4.3 Firm Pricing

Bid price must be firm for City acceptance for ninety (90) days from bid opening date.

4.4 Pricing to be F.O.B. Destination – Freight Included

Pricing shall be F.O.B. destination-freight included for all competitive bids. F.O.B. Destination-Freight Included shall include all shipping costs to the City location(s) at the unit cost. No additional shipping charges shall be allowed.

4.5 Unit Price

Bid unit price on quantity specified – extend and show total. In case of errors in extension, unit prices shall govern. Bids subject to unlimited price increases will not be considered.

4.6 Contract Quantities

The quantities specified in the Invitation for Bid are estimates only, and are given for the information of bidders and for the purpose of bid evaluation. They do not indicate the actual quantity, which will be ordered, since such volume will depend upon requirements, which develop during the contract period.

Quantities shown shall not be construed to represent any amount which the City shall be obligated to purchase under the contract, or relieve the contractor of his obligation to fill all orders placed by the City.

NO BID WILL BE CONSIDERED WHICH STIPULATES THAT THE CITY OF SUFFOLK SHALL GUARANTEE TO ORDER A SPECIFIC QUANTITY.

4.7 Authority to Bind Firm in Contract

Bids must include full legal firm name and address of bidder. Failure to manually sign bid may disqualify it. Person signing bid should show Title or Authority to bind the firm in a Contract.

4.8 Withdrawal of Bids

Bids may be withdrawn any time prior to the bid opening. Withdrawal of bids may be accomplished by submitting such request in writing on the issuing company's letterhead either in person or by certified mail. No bids may be withdrawn after the established bid opening date or time, unless the purchaser has extended the opening date.

4.9 Rejection of Bid

The City reserves the right to waive any technical errors in bids received and/or to reject any and all bids. Without limiting the generality of the foregoing, any bid which is incomplete, obscure, or irregular may be rejected; any bid failing to comply with all terms and conditions or failing to conform to the specifications may be rejected; any bid having interlineations, erasures, or corrections not appropriately initialed by the bidder may be rejected; and any bid accompanied by an insufficient or irregular bid security may be rejected.

4.10 Late Bids

Late bids will be returned to bidder unopened, if opening date and bidder's return address is shown on the container. Late bids shall not be accepted. It is the responsibility of the bidder to ensure the bid is received prior to the bid acceptance time.

4.11 Rights of City

The City reserves the right to accept or reject all or part of any bid, waive any informality and award the contract to the lowest responsive and responsible bidder to best serve the interest of the City.

In accordance with the Virginia Public Procurement Act Section 2.2-4320 B, a public body may waive informalities in bids. An “informality” is defined in Section 2.2-4301 as “a minor defect or variation of a bid or proposal from the exact requirements of the Invitation to Bid, or the Request for Proposal, which does not affect the price, quality, quantity or delivery schedule for the goods, services or construction being procured.”

The City further reserves the right to request clarification on any bid submittal or any documents requested or included in the bid submittal. Requests for insurance documents, additional specification requirements, drawings, contractor’s license, standard forms, etc. which may inadvertently be omitted from the BID FORM may be considered to be an “informality” and may be submitted at a later date, at the option of the City, as long as the omissions do not affect the price, quality, quantity or delivery for the goods or services being procured.

4.12 Use of Contract by Other Public Bodies

Bidders are advised that the resultant contract may be extended, with the authorization of the Bidder, to other public bodies, or public agencies or institutions of the United States to permit their use of the contract at the same prices and/or discounts and terms and conditions of the resulting contract. If any other public body decides to use the final contract, the Contractor shall deal directly with the public body concerning the placement of orders, issuance of the purchase orders, contractual disputes, invoicing and payment. The City of Suffolk acts only as the “Contracting Agent” for these public bodies. Failure to extend a contract to a public body will have no effect on consideration of your bid.

It is the Contractor’s responsibility to notify the public body(s) of the availability of the contract(s).

Other public bodies desiring to use the contract shall make their own legal determination as to whether the use of this contract is consistent with their laws, regulations and other policies.

Each public body has the option of executing a separate contract with the Contractor(s). Public bodies may add terms and conditions required by statute, ordinances, and regulations, to the extent that they do not conflict with the contract terms and conditions. If, when preparing such a contract, the general terms and conditions of a public body are unacceptable to the Contractor, the Contractor may withdraw its extension of the award to that public body.

The City of Suffolk shall not be held liable for any costs or damages incurred by another public body as a result of any award extended to that public body by the Contractor.

4.13 Inclement Weather/Closure of City Hall

If City Hall is closed for business at the time scheduled for bid opening, for whatever reason, sealed bids will be accepted and opened on the next scheduled business day, at the originally scheduled time.

4.14 Basis for Award

Contract award will be made to the lowest responsive and responsible bidder at the City's sole discretion. The City reserves the right to award the contract by item or in total for the contract period; the decision to make such award will be at the sole discretion of the City.

4.15 Announcement of Award

Upon the award or the announcement of the decision to award a contract as a result of this solicitation, the City will publicly post such notice on the bulletin board located outside of Room 105 of the Purchasing Division and/or on the City's web site, www.suffolk.va.us for a minimum of ten (10) days.

4.16 Bidder Qualification

Only bids from established contractors for work similar in scope to work herein shall be considered; the City reserves the right to request specific reference information prior to award. Bidder shall demonstrate that he has adequate and appropriate manpower, tools and equipment to respond and perform in accordance with the provisions herein.

The City may, at its option, disqualify a bidder and reject his bid for cause. Reasons deemed to be sufficient for this action shall include, but not be limited to, the following:

- Evidence of collusion among bidders.
- Receipt of more than one bid on any project from an individual, or from a corporation. This restriction does not apply to subcontractors
- Default on any previous contract.
- For unreasonable failure to complete a previous contract within the specified time or for being in arrears on an existing contract without reasonable cause for being in arrears.
- Inability to perform as revealed by an investigation of the Bidder's financial statement, experience and/or plant and equipment.

4.17 License Requirement

All firms doing business in the City of Suffolk are required to be licensed in accordance with the City of Suffolk business license ordinance. Wholesale and retail merchants without a business location in the City of Suffolk are exempt from this requirement. Any questions concerning business licenses should be directed to the Commissioner of the Revenue's Office, telephone (757) 514-4260.

4.18 Taxes in Arrears

5.3 Indemnity/Hold Harmless Clause

The CONTRACTOR shall indemnify, defend, and hold harmless the CITY, its officials, employees, agents, and representatives thereof from any and all losses, damages, claims, fines, penalties, suits, costs, actions, or claims of any kind, including attorney's fees, brought on account of any personal injuries, damages, or violations of rights, sustained by any person or property which arise out of any violation of law by, and all acts and omissions of the CONTRACTOR, the CONTRACTOR'S agents, employees, or customers occurring in connection with the products and services covered herein or from any claims or amounts arising from the violation of any law, bylaw, ordinance, regulation or decree.

The CONTRACTOR'S indemnification obligation with respect to any and all claims against the CITY or any of its officers, agents, employees, by any employee or statutory employee of the CONTRACTOR, or any of CONTRACTOR'S subcontractors, or anyone directly or indirectly employed by any of them, or anyone for whose acts the CONTRACTOR or CONTRACTOR'S subcontractor may be liable, shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the CONTRACTOR or any of CONTRACTOR'S subcontractors under workers' compensation laws, disability benefit laws or other applicable employee benefit laws.

5.4 Safety

All contractors and subcontractors performing services for the City are required and shall comply with all Occupational Safety and Health Administration (OSHA), State and City Safety and Occupational Health Standards and any other applicable rules and regulations. Also all contractors and subcontractors shall be held responsible for the safety of their employees and any unsafe acts or conditions that may cause injury or damage to any persons or property within and around the work site area under this contract.

5.5 Anti-Discrimination

By submitting their bids, bidders certify to the City that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians with Disabilities Act, the Americans with Disabilities Act and 2.2-4311 of the Virginia Public Procurement Act (VPPA). If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that

contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (Code of Virginia 2.2.4343.1E).

Every contract over \$10,000 shall include the following provisions:

1. During the performance of this contract, the contractor agrees as follows:
 - a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, service disabled veterans or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 - b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.
 - c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.
2. The contractor will include the provisions of No. 1 above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

5.6 Ethics In Public Contracting

By submitting a bid, the bidder certifies that their bid is made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other bidder, supplier, manufacturer or subcontractor in connection with their bid, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged. (Code of Virginia 2.2.4367)

5.7 Compliance with Federal Immigration Law

Contractor does not, and shall not during the performance of the contract for goods and services in the Commonwealth of Virginia knowingly employ an unauthorized alien as defined in the Federal Immigration Reform and Control Act of 1986.

5.8 Debarment Status

By submitting a bid, bidders certify that they are not currently debarred by the Commonwealth of Virginia from submitting bids or proposals on contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

5.9 Antitrust

By entering into a contract, the contractor conveys, sells, assigns, and transfers to the City of Suffolk all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the City of Suffolk under said contract.

5.10 Drug-Free Workplace

During the performance of this contract, the contractor agrees to (1) provide a drug-free workplace for the contractor's employees; (2) post in conspicuous place, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (3) state in all solicitation or advertisement for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (4) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "*drug-free workplace*" means a site for the performance of work done in connection with a specific contract awarded to a contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

5.11 Exemption from Taxes

The City is exempt from State Sales Tax and Federal Excise Tax. Tax Exemption Certificate indicating the City's tax exempt status will be furnished by the City of Suffolk.

5.12 Faith Based Organization

City of Suffolk does not discriminate against faith-based organizations.

5.13 Substitutions

NO substitutions or cancellations are permitted after award without written approval by the Purchasing Agent.

5.14 Method of Payment

Contractor shall submit invoices in duplicate for each delivery, such statement to include detailed breakdown of all charges, and shall be based on completion of tasks or deliverables.

Invoices shall be submitted to using departments.

Upon acceptance of work, the City will render payment within forty-five (45) days of receipt of invoice. Unless otherwise provided, interest on the payment shall not exceed the rate of one percent (1%) per month.

Individual contractors shall provide their social security numbers, and proprietorships, partnerships, and corporations shall provide their federal employer identification number on the pricing form.

5.15 Payments to Subcontractors

Within seven (7) days after receipt of monies paid by the City for work performed by a subcontractor under this contract, the contractor shall either:

- a. Pay the subcontractor for the proportionate share of the total payment received from the City attributable to the work performed by the subcontractor under this contract; or
- b. Notify the City and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment and the reason for non-payment.

The contractor shall pay interest to the subcontractor on all amounts owed that remain unpaid beyond the seven (7) day period except for amounts withheld as allowed in item b above.

Payments to subcontractor(s) shall be made in accordance with §2.2-4354 of Code of Virginia (1950), as amended. Unless otherwise specified in this contract, interest shall accrue at the rate of one percent (1%) per month.

5.16 Assignment of Contract

This contract may not be assigned in whole or in part without the written consent of the Purchasing Agent.

5.17 Termination without Cause

The City may at any time, and for any reason, terminate this Contract by written Notice to Contractor specifying the termination date, which shall be not less than thirty (30) days from the date such notice is mailed.

Notice shall be given to Contractor by certified mail/return receipt requested at the address set forth in Contractor's Bid Proposal or as provided in this Contract.

In the event of such termination, Contractor shall be paid such amount as shall compensate Contractor for the work satisfactorily completed, and accepted by the City, at the time of termination.

If the City terminates this Contract, Contractor shall withdraw its personnel and equipment, cease performance of any further work under this Contract, and turn over to the City any work completed or in process for which payment has been made.

5.18 Termination with Cause/Default/Cancellation

In the event that Contractor shall for any reason or through any cause be in default of the terms of this Contract, the City may give Contractor written notice of such default by certified mail/return receipt requested at the address set forth in Contractor's Bid Proposal or as provided in this Contract.

Unless otherwise provided, Contractor shall have ten (10) days from the date such notice is mailed in which to cure the default. Upon failure of Contractor to cure the default, the City may immediately cancel and terminate this Contract as of the mailing date of the default notice.

Upon termination, Contractor shall withdraw its personnel and equipment, cease performance of any further work under the Contract, and turn over to the City any work in process for which payment has been made.

In the event of violations of law, safety or health standards and regulations, this Contract may be immediately cancelled and terminated by the City and provisions herein with respect to opportunity to cure default shall not be applicable.

5.19 Non Appropriation – Availability of Funds

It is understood and agreed between the parties hereto that the City shall be bound and obligated hereunder only to the extent that the funds shall have been appropriated and budgeted for the purpose of this Contract. In the event funds are not appropriated and budgeted in any fiscal year for payments due under this Contract, the City shall immediately notify Contractor of such occurrence and this Contract shall terminate on the last day of the fiscal year for which (an) appropriation(s) (was) were received without penalty or expense to the City of any kind whatsoever.

5.20 Severability

If any part, term, or provision of this agreement, shall be found by the Court to be legally invalid or unenforceable, then such provision or portion thereof, shall be performed in accordance with applicable laws. The invalidity or unenforceability of any provision or portion of any contract document shall not affect the validity of any other provision or portion of the contract document.

5.21 Responsibility of Contractor

The Contractor shall, without additional costs or fee to the City, correct or revise any errors or deficiencies in his performance. Neither the City's review, approval or acceptance of, nor payment for any of the services required under this Contract shall be deemed a waiver of rights by the City, and the Contractor shall remain liable to the City for all costs which are incurred by the City as a result of the Contractor's negligent performance of any of the services furnished under this Agreement.

10.22 Changes and Additions

It shall be the responsibility of the Contractor to notify the City, in writing, of any necessary modifications or additions in the Scope of this Contract. Compensation for changes or additions in the Scope of this Contract will be negotiated and approved by the City, in writing.

It is understood and agreed to by both the City and the Contractor that such modifications or additions to this Contract shall be made only by the full execution of the City's standard change order form. Furthermore, it is understood and agreed by both parties that any work done by the Contractor on such modification or addition to this Contract prior to the City's execution of its standard change order form shall be at the total risk of the Contractor and said work may not be compensated by the City.

5.23 Non-Assignment of Contract

The successful offeror is prohibited from assigning, transferring, conveying, subletting, or otherwise disposing of this agreement or its rights, title or interest therein or its power to execute such agreement to any other person, company or corporation without the prior consent and approval in writing by the City.

5.24 Controlling Law; Venue, Pending/During Litigation

This CONTRACT shall be governed by the applicable laws of the Commonwealth of Virginia without regard to its conflict of law rules. In the event of litigation concerning this CONTRACT, the parties agree to the exclusive jurisdiction and venue of the appropriate state court for the City of Suffolk, Virginia; however, in the event that the federal court has jurisdiction over the matter, then the parties agree to the exclusive jurisdiction and venue of the U.S. District Court for the Eastern District of Virginia, Norfolk Division.

The CONTRACTOR shall not cause a delay in services because of pending litigation or during litigation proceedings, except with the express, written consent of the CITY or by written instruction/order from the Court.

5.25 Compliance with State Law; Foreign and Domestic Business authorized to Transact Business in the Commonwealth (VPPA §2.2 – 4311.2)

A bidder or offeror organized or authorized to transact business in the Commonwealth pursuant to Title 13.1 or Title 50 is to include in its bid or proposal the identification number issued to it by the State Corporation Commission. Any bidder or offeror that is not required to be authorized to transact business in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 or as otherwise required by law shall include in its bid or proposal a statement describing why the bidder or offeror is not required to be so authorized. A public body may void any contract with a business if the business fails to remain in compliance with the provisions of this section.

5.26 Waiver

The failure by one party to require performance of any provision of this contract shall not affect that party's right to require performance at any time thereafter, nor shall a waiver of any breach or default of the contract constitute a waiver of any subsequent breach or default or a waiver of the provision itself.
