ADDENDUM #1

Lake Meade Trail

Contract No. 2014-00056-CN

IFB Number 2014-00056-CN for the construction of Lake Meade Trail is hereby amended/clarified as follows:

Gravel trail cross section shown on Sheet C4.2 calls for top 2" VDOT #8 stone. This should be changed to VDOT #10 stone. The crusher fines must also comply with the standard in the General Notes Number 11 on Sheet C3.1.

Does the Davis Bacon wage decision apply to this project? Although the project is a federally funded project, Davis Bacon will not apply to this particular project. See excerpt from the FHWA guidelines below:

Fair Labor Wages (Davis-Bacon Act)

Under current law, the prevailing rate of wage applies "...on highway projects on the Federal-aid highways authorized under the highway laws providing for expenditure of Federal funds upon the Federal-aid systems..." [23 U.S.C. 113(a)]. Under title 23, all public roads are "Federal-aid highways", except those that are functionally classified as local roads or rural minor collectors.²⁷ FHWA interprets the language of §113(a) as applying only when a Federal-aid project takes place within the right-of-way of a Federal-aid highway. Therefore, if an RTP project is within the right-of-way of a Federal-aid highway, Davis-Bacon wage rates must be followed. If an RTP project is **not** within the right-of-way of a Federal-aid highway, then 23 U.S.C. 113(a) does not apply.

Recreational Purpose

RTP Legislation: 23 U.S.C. 206:

(h) (2) RECREATIONAL PURPOSE.—A project funded under this section is intended to enhance recreational opportunity and is not subject to section 138 of this title or section 303 of title 49.

Section (h)(2) exempts the RTP from the requirements of Section 4(f) of the Department of Transportation Act of 1966 (23 U.S.C. 138; 49 U.S.C. 303).²⁸ This allows the USDOT/FHWA to approve RTP projects which are located on land within publicly owned parks or recreation areas without requiring a waiver or other Section 4(f) documentation.

All work must be completed within 120 days as stated under LIQUIDATED DAMAGES on Page 5. On Page 19 of the BID FORM, it states that "...Final Completion shall be on or before one hundred and eight (180) consecutive calendar days after the Notice to Proceed date; this has been changed to 120 days on the attached REVISED BID FORM.

Page 68 – Scope of Services

The Scope of Services for this project has changed somewhat.

Delete Paragraph 1 and Paragraph 2 of the “Scope of Services.” Replace with the following:

The purpose of these specifications is to solicit bids from qualified contractors to construct a trail along the South end of Lake Meade Park as indicated on Sheet C4.2 (Base Bid). The length of the South Trail is approximately 6,414 feet. Award of bid will be based on the “Base Bid.”

This portion (South Trail) of the trail constitutes approximately 70 percent (70%) of the planned park trail. Due to budget restrictions, the City may be required to construct the park in phases. The City is requesting pricing for the construction of two (2) additional sections of the intended trail which are designated as the North Trail (Add Alternate 1) and the Connector Trail (Add Alternate 2). If quoted prices are within budget, the City may choose to award “Add Alternate 1” or “Add Alternate 2” (or both) in addition to construction of the South Trail (Base Bid).

Approximate footage for each of the alternate projects is as follows:

- North Trail – approximately 1,768 feet
- Connector Trail – approximately 753 feet

If current funds are not available to cover alternate bids, these construction projects will be bid out at a later date.

In order to incorporate the changes in specifications as outlined in Addendum Number 1, the Bidder shall be required to provide the attached “REVISED BID FORM” in lieu of the original.

Pre-Bid Conference

Although attendance of the Pre-Bid Conference scheduled for Thursday, March 20th, is not mandatory, potential bidders are encouraged to participate. Parks and Recreation staff will be available at that time to answer any questions concerning the Scope of Work, confirm the boundaries of each phase of the project, and “walk the trail”, if needed. It is the responsibility of the Bidder to ensure that he/she has all in the information needed to submit accurate and competitive pricing on this project.

If you have any questions regarding Addendum Number 1, please contact the Senior Buyer, Cindy Norfleet, at (757) 514-7522 or via e-mail at cnorfleet@suffolkva.us.

Receipt of Addendum No. 1 will be acknowledged on the BID FORM. Attached REVISED BID FORM must be submitted in lieu of the original BID FORM.

Bid opening will remain at 3:00 p.m. April 3, 2014.

REVISED BID FORM

TO: Purchasing Division
441 Market Street, Room 105
Suffolk, VA 23434-5237

BID: Lake Meade Trail
IFB #2014-00056-CN
DUE: April 3, 2014
TIME: 3:00 p.m., Local

_____ (Company) quotes firm lump sum price below, to furnish all labor, materials, equipment, transportation, licenses, permits, and fees required to provide construction services for the South Trail portion (Base Bid) of Lake Meade Park to the limits shown on the drawings in accordance with all specifications, terms, conditions, and drawings herein.

Provide a separate lump sum price, to include all labor, materials, equipment, transportation, licenses, permits, and fees required for construction of the North Trail (Add Alternate 1), as well as construction of the Connector Trail (Add Alternate 2) of the Lake Meade Park to the limits shown on the drawings and in accordance with all specifications, terms, and conditions herein.

Determination of low bidder shall be based on the TOTAL BASE BID. Should total costs exceed that budgeted for the projects, the City reserves the right to negotiate price with the lowest responsive and responsible bidder. If sufficient funds are available, the City may choose to include Add Alternate No. 1 and/or Add Alternate No. 2.

Base Bid:

1 Lump Sum Construct South Trail of Lake Meade Park \$ _____

Add Alternate No. 1:

1 Lump Sum Construct North Trail of Lake Meade Park \$ _____

Add Alternate No. 2:

1 Lump Sum Construct Connector Trail of Lake Meade Park \$ _____
