The following questions and answers are hereby incorporated into the IFB

Q1. The section titled "Training Room 128 Base System" (Page 4) states one of the Sharp LC-80LE650U displays is to be mounted on a tilting mount. Is the tilting mount a requirement?

A1: The screen must be mounted, but it is optional for the mount to be tilting.

Q2. Who will be responsible for installing the port/cut outs in the conference tables for the HDMI, VGA, and other ports?

A2: The cut outs and ports will be supplied by the furniture vendor, FSI Office. The successful bidder will coordinate with FSI. Please see attached specifications. More details can be found on the manufacturer's website <https://www.byrne-electrical.com/ellora-power-data-distribution-center>

Bidders are to submit the entire Section A with bid.

Contract Officer:

Jay Smigielski, Purchasing Agent.
