ADDENDUM NO. TWO (2)

IFB# 15104

PARALLEL TAXIWAY & LOCALIZER RELOCATION at the SUFFOLK EXECUTIVE AIRPORT

June 24, 2015

To: All Bidders of Record

This Addendum, prepared by Talbert & Bright, Inc. of Chesterfield, Virginia, is hereby made a part of the contract documents and specifications of the referenced project. All other requirements of the original specification shall remain in effect in their respective order. The bidders shall acknowledge receipt of this Addendum in the appropriate location in the Bid Proposal.

SPECIFICATIONS

Project Special Provisions

Revise the first sentence of special provision PSP-13 Geotextile Fabric to read: The Contractor shall furnish and install a non-woven 8-oz. geotextile fabric having the properties of Mirafi-180N fabric ~~on all areas to receive fill material to the locations identified for the proposed localizer access road.~~

PLANS

Sheet 7 – Geometric Layout & Demolition Plan

View 2 – the location of the relocated localizer shelter has shifted approximately 40' to the northwest. Please see exhibit included as Attachment "A" of this Addendum No. Two (2). Reference is also directed to the project specification PSP-12 Miscellaneous Demolition for any clearing and grubbing required.

Sheet 14 – Grading & Drainage Plan

The location of the relocated localizer shelter has shifted approximately 40' to the northwest. Please see exhibit included as Attachment "B" of this Addendum No. Two (2). Reference is also directed to the project specification PSP-12 Miscellaneous Demolition for any clearing and grubbing required.

Sheet 19 – Pavement Details & Typical Sections

Proposed Localizer Access Road Section – geotextile fabric identified in this detail is a pay item in accordance to project special provision PSP-13 Geotextile Fabric. **Revise** the detail note referencing the geotextile fabric to read: Geotextile Fabric Mirafi 180N or Equivalent. ~~No Separate Pay Item.~~

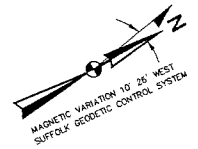

Sheet 25 – Electrical Layout

View “B” – the location of the relocated localizer shelter has shifted approximately 40’ to the northwest. Please see exhibit included as Attachment “C” of this Addendum No. Two (2). Reference is also directed to the project specification PSP-12 Miscellaneous Demolition for any clearing and grubbing required.
