ADDENDUM NO. 1

Restaurant Services – Suffolk Executive Airport

The City's Request for Proposal (RFP) Number 16067-CN is hereby amended/clarified to include the following information:

Information regarding menus and pricing from previous contractors has been requested. Attached are menus/pricing from 2008 to the present (RFP No. 2013-00030 dated October 25, 2012; RFP No. 2011-000626 was not awarded; RFP No. 2010-000218 dated August 12, 2009; and RFP No. 2009-00026 dated July 31, 2008). Older records are not available.

Information regarding previous contractors' sales and personal monthly costs for expenses are not available to the City. The City is not involved with the day-to-day activities of the restaurant business.

Currently there is no secure Wi-Fi connection at the restaurant location to be used in conjunction with P.O.S. devices. The City will be responsible for providing this service once the contract has been awarded.

Per the Suffolk Fire Department, permits/fees/etc. are NOT required to operate a pig cooker or similar cooking apparatus. The cooker, however, must be located at least twenty feet (20') away from the building, and a sustainable fire extinguisher must be kept nearby at all times.

When calculating and providing fees with your proposal for rental of the airport facility, please remember that the City is primarily looking to establish a quality restaurant that is capable of providing excellent food and service to its customers, as well as demonstrate the ability to operate a viable restaurant service for future needs. Price (rent) will be a consideration in the evaluation of the proposal; however, experience, staff, and quality of food offered will be the major determining factors when awarding this contract.

Due date for the receipt of proposals shall remain at 3:00 p.m. April 19, 2016.

If you have any questions regarding this Addendum, please contact Cindy Norfleet, Senior Buyer, at cnorfleeti@suffolkva.us. It is the Offeror's responsibility to ensure they have read all addendums and incorporated them in their proposal.

Cindy Norfleet, CPPB, Senior Buyer
