ADDENDUM NO. 3

Storage Building for Mosquito Control

Invitation for Bid No. 17001-CN for a storage building for Mosquito Control is hereby posted to clarify the following question:

Question: Addendum No. 2 (Items 6 and 9) states that the building will have no HVAC and also that the power connection will be for lights only. Does this mean you are deleting the exhaust fans and the receptacles?

Answer: The Contractor will be required to provide all electrical systems/hookups as outlined in the drawings/specifications, to include lights, exhaust fans and receptacles. In Addendum No. 2, the City wanted to convey that the electrical work required was very basic and did not include HVAC, etc. since the building would be used for simple storage only. Bid the electrical requirements as specified.

The bid opening date will remain at 3:00 p.m. on August 16, 2016.

The Bidder will be required to acknowledge his/her receipt and acceptance of Addendums Number 1, 2 and 3 on the BID FORM.

If you have any questions regarding this Addendum, please contact Cindy Norfleet, Senior Buyer, at (757) 514-7522.

Cindy L. Norfleet, CPPB, Senior Buyer
