In case of a conflict with published requirements, the bid may be considered non-responsive. The City's published specifications shall supersede any additional writings submitted with the bid. Such additional writings shall be clearly marked and noted as an exception.
2. **Submittals:** All bids shall be submitted sealed, plainly marked showing the bid number, date and time. The entire solicitation document is to be returned when submitting a bid unless otherwise directed by the bid document. Failure to return all required pages may result in a determination that the submittal is non-responsive.
3. **Late Bids:** Bids and amendments thereto, if received by Purchasing after the date and time specified for bid opening, will not be considered. It will be the responsibility of the bidder to see that their bid is received by Purchasing as specified. There will be no exceptions. Date of postmark will not be considered. Telephone, facsimile, electronic and verbal bids will not be accepted. Prices or changes shown on the outside of an envelope will not be considered in determination of low bid.

The City shall not be required to pay any of the Contractor's direct or indirect costs, or claims for compensation, extended overhead, or other damage or consequential damages arising out of or related to any delays or interruptions required or ordered by the City. If the City delays the project for any reason for a continuous period of ninety (90) days or more, the City and Contractor will negotiate a mutually agreeable adjustment to the Contractor's award amount. Notwithstanding the above, in construction contracts, to the extent that an unreasonable delay is caused by the act or omissions of the City due to causes within the City's control, the above waiver or release shall not apply.

Upon termination, Contractor shall withdraw its personnel and equipment, cease performance of any further work under the Contract, and turn over to the City any work in process for which payment has been made. This prohibition shall also extend to the Suffolk City Council and locally elected officials. Any such unauthorized contact may disqualify the bidder from this procurement.

45. **Additional Conditions:** The Conditions and Instructions in this solicitation are intended to apply to the resulting contract and shall supersede any conflicting terms offered. Any additional conditions a bidder intends be considered must be submitted with the bid and noted as an exception. Such exceptions may result in a finding that the submittal is 'non-responsive' to the bid, negating possibility of an award to that bidder. Contractual documents submitted by the successful firm after an award will not be accepted.
46. **Contractor Failure to Perform:** Failure of the Contractor to perform the contract by reason of the City's non-acceptance of additional conditions submitted after the award shall result in termination of the contract by the City, and may result in debarment of the Contractor for a period of up to three (3) years. 49. **Rights and Remedies Not Waived:** In no event shall the making by the City of any payment to the Contractor, or the waiver by the City of any provision under this contract including any obligation of the Contractor, constitute or be construed as a waiver by the City of any other provision, obligation, breach of covenant, or any default which may exist under this contract on the part of the Contractor, and the making of any such payment by the City while any such breach or default exists shall not impair or prejudice any right or remedies available to the City.
50. **Entire Agreement:** This contract and any additional or supplementary documents incorporated herein by reference contain all the terms and conditions agreed upon by the parties hereto, and no other agreements, oral or otherwise, regarding the subject matter of this contract or any part thereof shall have any validity or bind any of the parties hereto. 53. **Changes and Additions:** It shall be the responsibility of the Contractor to notify the City, in writing, of any necessary modifications or additions in the Scope of this Agreement. execution of the City's standard Agreement change order form. Furthermore, it is understood and agreed by both parties that any work done by the Contractor on such modification or addition to this Agreement prior to the City's execution of its standard Agreement change order form shall be at the total risk of the Contractor and said work may not be compensated by the City.

They do not indicate the actual quantity that will be required, since such volume will depend upon requirements that may develop during the contract period. Quantities shown shall not be construed to represent any amount which the City shall be obligated to purchase under the contract, or relieve the contractor of his obligation to fill all orders placed by the City, except as clearly noted.
62. **Competition Intended:** It is the City's intent that the Invitation for Bid (IFB) permits competition. It shall be the bidder's responsibility to advise the Buyer in writing if any language requirement, specification, etc., or any combination thereof, inadvertently restricts or limits the requirements stated in this IFB to a single source. Such notification must be received by the Contract Officer prior to the date set for bids to close.
