ADDENDUM NO. 4

Nansemond Parkway / Wilroy Road Intersection Improvements - UPC: 102995

Invitation for Bid (IFB) Number 17002-CN for Nansemond Parkway/Wilroy Road Intersection Improvements is hereby cancelled.

This project has been cancelled due to the following reasons:

- The bid received from the apparent low bidder exceeded the Engineer's Estimate and the current amount budgeted for this specific project.
- It is the intent of the City to re-bid this project in the future under amended specifications. The scope of the project will be altered significantly to better address safety and travel delay concerns at this intersection.

If you have any questions regarding this addendum/cancellation of the project, please contact Cindy Norfleet, Senior Buyer, at 757-514-7522.
