The Invitation for Bid (IFB) for IFB 17031-JS for Oak Ridge Water Main Replacement for the Department of Public Utilities has been amended.

All bid submittals shall conform to this Addendum. Bidders are responsible for familiarizing themselves with the modifications and the effect they may have on the scope of work.

The following questions and answers are incorporated in the bid:

- Q1: Is there a geotechnical report for this project? If so, can the report be issued for contractor review?
- A1: There is not a geotechnical report for this project.
- Q2: I have been under the assumption that City of Suffolk has accepted the US PIPE FIELD LOK joint Restraint Tyton Joint Bell Gasket. Would this be acceptable to utilize where Restraint Joints will be needed?
- A2: Yes, this can be utilized.
- Q3: The bid form, items 17-22, notes Replacement of Damaged storm sewer pipe in their respectable sizes, however, it doesn't note on the plans as to the location of the damaged pipe. Is there specific locations as to where the possible damaged pipe is located, the price to replace is significantly different dependent upon location (i.e. roadway or green area)?
- A3: Bid items 17-22 are for storm drains damaged during construction, through no fault of the Contractor. The location and the limits of any storm drains to be replaced will be determined on site by the City's Representative.

END OF QUESTIONS

Contract Officer:

Jay Smigielski, Purchasing Agent.

All other specifications, provisions, terms and conditions are unchanged.

Bidder shall acknowledge receipt of addendum on Bid Form. Failure to do so may result in disqualification of bid.

If you have any questions regarding this Addendum, please contact Jay Smigielski, Purchasing Agent at jsmigielski@suffolkva.us
