ADDENDUM NO. 2

Animal Transport Unit

IFB No. 18002-CN for one animal transport unit has been amended to include the following question:

Question: We are a custom aluminum fabricator, and if we were to build an animal transport unit for you, it would be constructed of aluminum rather than fiberglass. Would this be acceptable as an exception for this bid?

Answer: Aluminum would not be considered equal to the requested fiberglass construction.

Receipt of bids will remain at 3:00 p.m. August 1, 2017.

The Bidder will be required to acknowledge his/her receipt and acceptance of Addendum Number 2 on the BID FORM.

If you have any questions regarding this Addendum, please contact Cindy Norfleet, Senior Buyer, at (757) 514-7522.
