Additional Pricing – Personal Protective Equipment carried by vendor, but not listed above:

Should the City desire to obtain Personal Protective Equipment not specified in this Invitation to Bid, the Bidder shall provide the City with a percentage discount from suggested retail price. Said items shall be selected from the manufacture's catalogue and shall be discounted from the current list price. The percentage discount shall be firm throughout the entire contract period. The City reserves the right to evaluate the percentage discount submitted. Should the City deem said discount to not be in the City's best interest the City shall exercise the right to obtain additional uniform items elsewhere.

Percentage Discount Allowed _____ %
