The new due date supersedes the previous date. The location remains unchanged.

New Opening Date: October 16, 2018 at 3:00 PM

The new bid opening date supersedes the previous opening date.

The following questions and answers are incorporated into the bid:

- Q1: On page 5 of the RFP, under the section "Scope of Work", it states that "Bidder must be on the Virginia Department of Historic Trades Directory". Is this an actual requirement or will any contractor be able to bid on this if they attended the site visit?
- A1: Only Bidders who are listed on the Virginia Department of Historic Trades Directory will be able to bid.
- Q2: Due to the age of the mausoleum, can you confirm that there is no lead or asbestos in the paint or caulking/sealant? Is there a test report to confirm this?
- A2: The City will test the paint and caulking/sealant to confirm there is no lead or asbestos present. The results will be released in a future Addendum.
