PURPOSE

The intent of this Invitation for Bid (IFB) is to hire two (2) contractors, a primary and secondary, to furnish all labor, transportation, equipment, permits and fees required to mow grass and cleanup designated properties within the City on an as needed basis for the Department of Planning and Community Development due to violations of Section 34-110(b) and Section 34-109 (a) of the City of Suffolk and/or the Uniform Statewide Building Code. Other cutting/cleanup requirements are subject to competitive procedures. Work shall be in accordance with all specifications, terms, and conditions herein.

COMPETITION INTENDED

It is the City's intent that this Invitation for Bid (IFB) permits competition. Such notification must be received by the Purchasing Agent not later than five (5) days prior to the date set for bids to close.

CONTRACT PERIOD

The contract shall cover the period from date of award through October 31, 2019.

The City reserves the option to renew this agreement for two (2) additional one-year periods ending October 31, 2021. Unless notified in writing thirty (30) days prior to the expiration date, the contract will automatically renew during these periods.

Initial rates and subsequent renewal rates must be guaranteed for a minimum of twelve (12) months. Any increase in rates shall be limited to the lesser of the Consumer Price Index for all Urban Consumers (CPI-U) – Other Goods and Services (unadjusted for the current 12 month period) or 3%. The City does not guarantee any rate increase. **The City must be notified of any rate increases during the contract period.**

SPECIFICATIONS

The Contractor shall provide all labor, tools and equipment to cut all grass and weeds and trim around houses and other permanent obstructions within the boundaries of the property, remove any saplings or undergrowth, and remove all debris and trash from various sites as assigned by the City of Suffolk Department of Planning and Community Development. All weeds, underbrush, and trees 3" or less in diameter shall be cut flush to the ground or as close to flush as possible in relation to the terrain of the site. Removal of trees larger than 3" diameter will be bid or priced separately. Any shrubs not removed (or located around houses or structures, etc.) shall be trimmed. All cut trees, excessive vegetation, litter, trash and debris shall be removed from the site to a proper disposal site; the abutting curb sides and sidewalks shall be cleared of grass clippings.

The majority of lots located in residential districts shall be rough cut with a bush hog unless otherwise specified by the inspector. If requested (and only if requested), the Contractor may be asked to follow the rough cut with a finished cut. (See definitions of "rough" and "finished" cut on Page 7.) Under no circumstances shall any trash, litter, debris or bulk refuse be left at contracted site(s) to be removed by the City.

All materials and other trash and debris on the site shall become the property of the contractor upon removal from the work site. The Contractor shall be responsible for removing up to 500 pounds of litter and debris on all sites. Trash and debris removed from all job sites shall be disposed of at the Regional Landfill or other approved disposal site. Fees associated with dumping at the disposal site will be paid by the Contractor. Contractor will be responsible for notifying the Department of Public Works at least 48 hours in advance of disposal. Name, description of vehicle, and license number must be provided.

Removal of debris weighting over 500 pounds will be priced separately. The weight of debris will be established by the weight ticket issued by the Regional Landfill. Should it be determined that the weight submitted on the billing was generated from a source other than the address specified on the work order, the entire bill shall be void, and the contract shall be immediately terminated.

Contractor shall pick up work orders from the Department of Planning and Community Development within two (2) working days after notification by the Department of Planning and Community Development. If Contractor requests work orders to be faxed or emailed, acknowledgment of receipt of fax must be made to the inspector within two (2) days. Failure to pick up work orders or acknowledge a fax within two (2) days will result in the termination of the work order. Work orders may also be emailed to Donald Bennett at dbennett@suffolkva.us or to Yulanda Mason Manning at ymason@suffolkva.us.

All work must be completed and work orders turned into the office within seven (7) calendar days from the issued date on the work order. Extensions of this provision in the event of inclement weather delay or other extenuating circumstances shall only be granted by the Department if requested by a Contractor before the end of the seven (7) calendar days. Failure to meet these deadlines will terminate the work order and may result in non-payment. The City's inspector must approve all work prior to payment being initiated.

"HIGH PRIORITY" JOBS: On occasion, the Department of Planning and Community Development will have "high priority" jobs assigned to them by the City Manager's Office. High priority work must be completed within three (3) calendar days once the work has been assigned, and work orders must be turned into the office within seven (7) calendar days.

In the event that the Contractor is unable to perform the work in the required time frame, whether under normal circumstances or as a high priority item, the City reserves the right to secure services from the second lowest bidder, or if the second lowest bidder is unable to perform the work, from a contractor selected by the Department of Planning and Community Development.

Once the Contractor responds to a work order and discovers that the work has been completed by the owner or someone else, the work order must be returned to the Department stating that this has occurred. The City will pay the Contractor a fee of \$25.00 for time spent going to the site.

Should the City be required to stop work, the contractor will be paid proportional to the work completed.

All work will be conducted under the general direction of the Department of Planning and Community Development and is subject to inspection to ensure strict compliance with the terms of this contract. Contractor will operate in full compliance with all OSHA, state and local safety laws, ordinances and regulations. Contractor shall furnish and maintain insurance coverage and shall indemnify and hold harmless the City of Suffolk in substantial accordance with that stated herein.

All work under this contract must be performed by the Contractor. It is not permissible to subcontract any of this work.

It is understood and agreed that the City will not guarantee any minimum amount of work. Any contract resulting from this solicitation shall obligate the City to utilize the successful bidder for the services described. Should the Contractor fail to respond within the designated time, or if the Contractor is unable to perform the work in the time allotted, the City reserves the right to secure services from the second lowest bidder, as determined by total bid for all listed locations.

This prohibition shall also extend to the Suffolk City Council and locally elected officials. Any such unauthorized contact may disqualify the bidder from this procurement.

45. **Additional Conditions:** The Conditions and Instructions in this solicitation are intended to apply to the resulting contract and shall supersede any conflicting terms offered. Any additional conditions a bidder intends be considered must be submitted with the bid and noted as an exception. Such exceptions may result in a finding that the submittal is 'non-responsive' to the bid, negating possibility of an award to that bidder. Contractual documents submitted by the successful firm after an award will not be accepted.

46. **Contractor Failure to Perform:** Failure of the Contractor to perform the contract by reason of the City's non-acceptance of additional conditions submitted after the award shall result in termination of the contract by the City, and may result in debarment of the Contractor for a period of up to three (3) years. The City shall have access to such records from the effective date of this contract, for the duration of the contract, and for five (5) years after the date of final payment by the City to the Contractor pursuant to this contract or any renewal or extension of this contract. The City's employees, agents or authorized representatives shall have access to the Contractor's facilities, shall have access to all necessary records and shall be provided adequate and appropriate work space, in order to conduct audits.
49. **Rights and Remedies Not Waived**: In no event shall the making by the City of any payment to the Contractor, or the waiver by the City of any provision under this contract including any obligation of the Contractor, constitute or be construed as a waiver by the City of any other provision, obligation, breach of covenant, or any default which may exist under this contract on the part of the Contractor, and the making of any such payment by the City while any such breach or default exists shall not impair or prejudice any right or remedies available to the City.
50. **Entire Agreement**: This contract and any additional or supplementary documents incorporated herein by reference contain all the terms and conditions agreed upon by the parties hereto, and no other agreements, oral or otherwise, regarding the subject matter of this contract or any part thereof shall have any validity or bind any of the parties hereto. They do not indicate the actual quantity that will be required, since such volume will depend upon requirements that may develop during the contract period. Quantities shown shall not be construed to represent any amount which the City shall be obligated to purchase under the contract, or relieve the contractor of his obligation to fill all orders placed by the City, except as clearly noted.
62. **Competition Intended:** It is the City's intent that the Invitation for Bid (IFB) permits competition. It shall be the bidder's responsibility to advise the Buyer in writing if any language requirement, specification, etc., or any combination thereof, inadvertently restricts or limits the requirements stated in this IFB to a single source. Such notification must be received by the Contract Officer prior to the date set for bids to close.
63. **Default on Taxes:** No bid or proposal will be accepted from, or any Contract awarded to, any person, firm, or corporation that is in arrears, or in default to
