The Request for Proposal (RFP) for Intelligent Street Light System has been amended.

The following is added to the IFB:

Section 9.0 Conditions and Instructions

Page 22

59. **Cooperative Agreements:** If authorized by the Consultant, the resultant contract(s) may be extended to any jurisdiction within the Commonwealth of Virginia to purchase at the contract prices in accordance with the contract terms. Any jurisdiction using such contracts shall place its own order(s) directly with the successful contractor(s). The City of Suffolk acts only as the contracting agent and is not responsible for placement of orders, payment, or discrepancies of the participating jurisdictions. It is the Consultant's responsibility to notify the jurisdictions of the availability of contract(s).

The following questions and answers are incorporated in the bid:

Q1: Is it a requirement to use the City's network?

A1: No, this is not a requirement.

Q2: Are there any disqualifiers?

A2: Anything that would not meet federal requirements.

Q3: Does the City participate in ANSI standards?

A3: The City does not participate, but will consider them as part of the evaluation.

Q4: Will the City determine scalability costs?

A4: The City is open to all options.

Q5: Who will do the installation?

A5: That will vary on the project.

Q6: Who will provide the network?

A6: The City will provide the network.

Q7: Can we add a cost for a call center?

A7: Yes

Q8: Does the application have to be installed software or can it be in the cloud?

A8: Either is acceptable.

Q9: Does this require intersection signals?

A9: Not at this time, but the City is open to this in the future.

Contract Officer:

Jay Smigielski, Purchasing Agent
