The Invitation for Bid (IFB) for IFB 19053-JS for Mineral Spring Road Improvement and Bridge Replacement for the Department of Public Works has been amended.

### Delete

Pages 18 – 22 Bid Form

### Replace with

Revised Bid Form (Attached)

The following questions and answers are incorporated in the bid:

Q1: Does the estimated Borrow quantity include material that will be used to backfill estimated Undercut quantity?

A1: The estimated borrow quantity does include material that will be used to backfill the undercut quantity. See updated bid form (attached).

Q2: Question 4 regarding the power lines does not address constructability issues. There is insufficient clearance to unload and drive piles and set deck planks with these lines in service. We really do not have any method to coordinate with the power company to insulate or de-energize the lines.

A2: Overhead utilities will remain in place during construction. The contractor is responsible to coordinate with the respective utility owners for any accommodations during construction. The contractor shall maintain a safe and legal operating distance from the power lines during construction. The cost of coordination with franchise utility owners

shall be incidental to other bid items, no separate payment will be made."

Q3: Question 10 regarding cofferdams has not been fully addressed. A bid item still remains for cofferdams. Will the bid form be modified to delete this bid item?

A3: Cofferdams are provided as a bid item for the contractor to have the option of utilizing as a means and method to construct the abutments. If a cofferdam is not used, no payment will be made for this bid item. This bid item will remain.

Attachment – Revised Bid Form (5 pages)

Contract Officer:

  
Jay Smigielski, Purchasing Agent,

All other specifications, provisions, terms and conditions are unchanged.

**Bidder shall acknowledge receipt of addendum on Bid Form.** Failure to do so may result in disqualification of bid.

If you have any questions regarding this Addendum, please contact Jay Smigielski, Purchasing Agent at [jsmigielski@suffolkva.us](mailto:jsmigielski@suffolkva.us)

# BID FORM

**TO:** City of Suffolk  
 Purchasing Division  
 442 W. Washington St., Room 1086  
 Suffolk, Virginia 23434

**BID:** Mineral Spring Road  
 Improvements and Bridge  
 Replacement  
**DUE:** February 6, 2019  
**TIME:** 3:00 p.m., Local

Bidder quotes firm unit price(s) below, exclusive of all state sales taxes, to furnish all labor, materials, equipment, supervision, transportation, licenses, permits, and fees required to provide installation of the items and all appurtenances and incidental materials and equipment, complete and in place in accordance with all specifications, terms, conditions, and drawings herein.

Bidder agrees to begin the Work within ten (10) days of Notice to Proceed and that the project will be fully completed within **two hundred and forty (240)** calendar days of the Notice to Proceed. Bidder shall note that the total time allowed for full road closure and detour shall not exceed one hundred and eighty (180) days.

Bidder shall perform all Quality Control (QC) testing in accordance with the VDOT LAP Manual. Testing shall be in accordance with VDOT specification for procedure and frequency and be conducted by qualified personnel and a certified laboratory. All test results shall be provided to the City in a timely manner and can be used as a basis to accept or reject referenced materials. Cost of all QC testing shall be included in the price for each bid item and shall not be paid separately.

The bids will be evaluated and awarded based on the lowest responsive and responsible bidder based on **TOTAL BID PRICE FOR IFB 19053**. See Item 21 under Conditions and Instructions for further information.
