The Invitation for Bid (IFB) 20021-KP for Trashcan Liners originally issued August 9, 2019 has been amended as follows:

Q 1: Can you clarify the bid award from the previous bid because it was not awarded to the low vendor?

A1: The sample(s) provided did not meet specifications.

Q2: Can you provide us with the manufacturer name and number currently being purchased?

A2: Vintage Premium Can Liners: VL24X32 – 12-16 gallon; VL30X36HB – 20-30 gallon; VL40X46XHB – 40-45 gallon; and VL38X58XHB – 60 gallon.

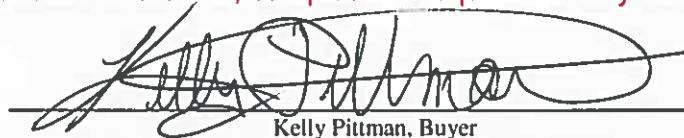

Q3: Based on previous ordering history and purchase orders, can you provide about how often orders are placed by the various delivery locations (monthly, quarterly or other?) and what is an approximate case order?

A3: Departments may order anywhere from 4-20 cases for each size monthly or quarterly depending on their needs.

Q4: Can you advise if samples are requested with the bid or will be requested at a later time?

A4: In the past, contractors provided samples with their bids. The City will request samples from the low bidder. As it states in the IFB, samples are required for any substitutions as part of the bid package.

Contract Officer:

Kelly Pittman, Buyer

All other specifications, provisions, terms and conditions of the IFB are unchanged.
