- Quality of prior work, including design efficiencies, timeliness and cost control (25%)

After interviews have been conducted with each selected offeror, the City shall select the proposal which, in its sole opinion, is in the best interest of the City and enter into negotiations with that firm. Should negotiations fail with this offeror, negotiations will be terminated with that offeror and negotiations will be opened with the next ranked firm, as required under the Virginia Public Procurement Act. Should the City determine, in its sole discretion, that only one offeror is qualified, or that one offeror is clearly more highly qualified than the other under consideration, a contract may be negotiated and awarded to that offeror. The file will show the Committee's perception of the strengths and weaknesses of each proposal received as basis for selection.

The successful firm will be expected to enter into a contract with the City of Suffolk based upon their submittal, any additional negotiated terms, and best and final pricing. The successful firm shall execute and return the contract documents to the City within ten (10) business days of receipt.
