The Request for Proposal (RFP) for Engineering Services for Traffic Signal Timing Contract has been amended.

The following question and answer is incorporated in the RFP:

Q1: Will the City consider teams who apply for the RFP (i.e. may we add a subconsultants?)

A1: Sub-consultants maybe utilized for associated tasks (i.e. data collection)

Q2: In section 8.0, paragraph E, the RFP requests up to 5 projects that were "specifically performed in compliance with the VDOT specifications". Does this include private sector projects that involved a design that was per VDOT specs, or VDOT state projects only?

A2: Projects included need to be performed in compliance with VDOT specifications. Private sector projects are permitted, but public projects are preferred.

All other information remains unchanged.
