The Invitation for Bid (IFB) for IFB 22044-JS for the Elwood Road Bridge Replacement for the Department of Public Works has been amended. The following information is hereby made a part of the Contract Documents for IFB 22044-JS as fully and completely as if the same were fully set forth therein:

### **DELETE**

Bid Form (pages 24 & 25)

### **INSERT**

Bid Form Revised 1-12-22

Bidders shall submit Bid Form Revised. Bids submitted with the previous bid form may be considered "non-responsive".

### **BID SUBMITTAL AND OPENING REVISED**

Bids must be submitted to the Purchasing Office in Suffolk City Hall, 442 W. Washington St., Suffolk VA 23434 by 3:00 PM on January 27, 2022.

Bids shall be publicly opened and read aloud on the date that the bids are accepted. Public opening will be held on January 27, 2022, at 3:30 PM (local prevailing time), in the Public Works Operations Facility, 800 Carolina Road, Suffolk, VA 23434.

Bidders will be required to follow current COVID-19 guidelines to attend bid opening. Currently all attendees will be required to wear masks and social distance.

Be aware COVID guidelines regarding in-person gatherings are subject to change and bidders should check the City's Purchasing website for the latest updates.

Questions and Answers

Q1: Is a field office required?

A1: A field office is NOT required.

Q2: Are existing plans and inspection reports available?

A2: Existing plans are not available. An inspection report is available. See Attachment.

Q3: Regarding waterproofing note on Sheet B-1. Is it applied on-site or at factory? Is it full deck waterproofing?

Deck shall be waterproofed in accordance with the requirements of Sec. 405 and Sec. 416 of VDOT Road and Bridge Specifications.

A3: Waterproofing mention in the General Notes on sheet B-1 shall be epoxy-resin waterproofing Type EP5 or EP7 and shall be applied to the top surface of the prestressed slab members at the fabrication plant. Waterproofing shown on sheet B-6 is a separate stage of waterproofing and shall be to the shear keys between slab members on-site, as shown in the plan details.

Separate payment will not be made for waterproofing. Cost for both stages of waterproofing shall be included in the price bid per member as specified in the Specifications section 416.04, paragraph 2.

Q4: Are contractor permitted to limb some additional trees for crane access?

A4: Contractor may limb any anything inside the temporary construction easement, **except** for the Cypress tree inside temporary easement as per agreement with property owner. Contractor may negotiate with property owners outside of the temporary easement.

Attachment – Bridge No. 133-8016 Structure Inspection Report (24 pages)

**Contract Officer:**   
Jay Smigielski, Purchasing Agent

All other specifications, provisions, terms and conditions of the IFB are unchanged.

Acknowledgement of this addendum is required in the bid.
