7.0 EVALUATION AND AWARD CRITERIA

The City's Evaluation Committee shall review each proposal and verify the claims and credentials of each offeror. Selection will be made for each proposal on the basis of the criteria listed below. - Qualifications, credentials, and related experience of the offeror's key personnel (20%)
- Adequacy and availability of support resources (15%)
- Established working relationships as a team on similar jobs (20%)
- Quality of prior work, including efficiencies, timeliness and cost control (20%)

- Overall quality and completeness of proposal based on the submittal requirements (10%)

Once each member of the Evaluation Committee has read and rated each proposal by use of the criteria, a consensus of the Committee shall be used established ranking the proposals. This ranking shall be used to select the firms for further consideration—the short-list. At this point, the Evaluation Committee may conduct interviews with two or more of the top ranked firms.

After interviews have been conducted with each selected offeror, the City shall select the proposal which, in its sole opinion, is in the best interest of the City and enter into negotiations with that firm. Should negotiations fail with this offeror, negotiations will be terminated with that offeror and negotiations will be opened with the next ranked firm, as required under the Virginia Public

Procurement Act. Should the City determine, in its sole discretion, that only one offeror is qualified, or that one offeror is clearly more highly qualified than the other under consideration, a contract may be negotiated and awarded to that offeror. The file will show the Committee's perception of the strengths and weaknesses of each proposal received as basis for selection.

The successful firms will be expected to enter into a contract with the City of Suffolk based upon their submittal and any additional negotiated terms on an as-needed basis. The successful firms shall execute and return the contract documents to the City within ten (10) business days of receipt. The City anticipates awarding to multiple firms.

Any additional conditions an offeror intends be considered must be submitted with the proposal and noted as an exception. Such exceptions may result in a finding that the submittal is 'non-responsive' to the proposal, negating possibility of an award to that offeror.
